Lexi chose this book from the library; she loves the Pinkalicious series!

It was a cute story! I did like the idea, that the beautiful pink flowers, were under all the weeds!

I wasn't really happy that her brother really didn't do anything; and his flowers were gorgeous!

We all liked how Pink tried to lure the Flower Fairy in with paper flowers, and streamers, and lots of pink!

Lexi gave the book three stars; I think her rating is perfectlicious!

Wow. Well, pretty big words for a level one reader. Story line - not great. Pictures were great, colors were great. Disappointed that activities were slammed down the middle with the boys doing traditionally boy things and the girl doing girl thins. I pulsar select this one to read to My daughter or grands.

#### **My 6yr old daughter loved it**

Cute short story that promotes perseverance, mindfulness, and creativity as well as a vivid imagination, critical thinking and problem solving skills. I rated this book 5 Stars because it not only captured the interest of my 6yr old daughter from start to finish but also due to the overall message to practice patience, problem solve, and to not lose hope when you don't see the results you desire immediately.
